## WHAT WE DO

We recruit potential students to study in the top recognized universities in India, providing affordable and quality education.

We also assist with the following:

### 1. Career Counseling

We provide personalized advice on the career paths, job prospects and skill development.

### 2. Course Selection

We offer advice to students on course selection, majors and minors based on aspirations.

### 3. Parent consultation

We engage with parents to address their concerns and provide guidance on their child's education

### 4. University Admission Guidance

We assist students in selecting suitable universities and colleges based on their goals, interests and academic profiles.
